

Description

Microtec

Energy Saver - Innovative Heat Platen Insulation Cover

- 24% Faster Heating
- Prevents Heat Loss
- Reduces Energy Consumption

Feature

Microtec

Microtec is a professional manufacturer of heat press machines, specializing in the production of high-quality, reliable, and efficient heat press equipment.

Microtec is a professional manufacturer of heat press machines, specializing in the production of high-quality, reliable, and efficient heat press equipment.

Microtec 2000 is a professional manufacturer of heat press machines, specializing in the production of high-quality, reliable, and efficient heat press equipment.

1 Easy Install & Remove

Saving your time & effort.

2 24% Faster Heating

Heats to 200°C in 16 minutes instead of 21.

3 48% Energy Saving

Reduce energy consumption, eco-friendly and cost-effective.

4 Durability

Enhance the efficiency, speed, and lifespan of your heat press.

Specification
