

Description

Microtec 4-axis automatic drilling machine with high precision and high speed, suitable for various materials and sizes of workpieces.

Microtec 4-axis automatic drilling machine with high precision and high speed, suitable for various materials and sizes of workpieces.

Feature

High precision and high speed

DTF automatic drilling machine

High precision and high speed

DTF automatic drilling machine

High precision and high speed

DTF automatic drilling machine

Specification

Model	SSB-002
Material	Aluminum
PLC	PLC control
Size	≤30x30mm
Accuracy	K871IP
Power	220V
Speed	900W
Resolution	0.4MP-0.6MP
Dimensions	120x90x178mm
Weight	245kg
