Each Signle Copper sheathed heating rod is tested before it is cast in an aluminum alloy or Mica Sheet. These heating rods are comparable to those found in industrial ovens that heat up quickly, work efficiently and last many years. With our industrial quality heat castings, you can get five years worry free warrant.

Digital Controller: 6700 digital time & temp control

Comfortable Handle: Ergonomic handle design

Hand Screws: Hand screws for electric bouvenant for maintenance

Electromagnet: Magnetic function ensures auto open after transfer finished

Gas Spring: Two big gas spring ensures safe opening

High Pressure: Great choice for sublim heat transfer

Drawer: Slide-out underplate makes it easy to put and take
