Microtec -

Microtec is a leading manufacturer of heat press machines, specializing in electric automatic swing heat press machines. The company offers a wide range of models, including the TSE-20 and TSE-24, which are designed for high-quality heat pressing of various materials. The machines are equipped with advanced features such as laser positioning, precise control, and a pinch-guard safety system. The TSE-20 has a 16" x 20" / 40 x 50cm pressing area, while the TSE-24 has a larger 16" x 24" / 40 x 60cm pressing area. Both machines are built with a sturdy red frame and a black pressing plate. The TSE-24 also features a 'Drawer Style' design, allowing for easy access to the pressing area. The machines are powered by a 220V/240V electric motor and can operate at temperatures up to 350°C. They are suitable for heat pressing on a variety of materials, including t-shirts, hoodies, and bags. The Microtec machines are known for their durability, precision, and safety, making them a popular choice for both professional and hobbyist heat pressers.

- The TSE-20 and TSE-24 are the most popular models in the Microtec range, offering a good balance of size and price.
- The TSE-20 is ideal for small businesses and hobbyists, while the TSE-24 is better suited for larger businesses and commercial use.
- Both machines are built with a sturdy red frame and a black pressing plate, ensuring durability and long life.
- The TSE-24 also features a 'Drawer Style' design, which allows for easy access to the pressing area.
- The machines are powered by a 220V/240V electric motor and can operate at temperatures up to 350°C.
- They are suitable for heat pressing on a variety of materials, including t-shirts, hoodies, and bags.

Non-Slip Handle

Emergency Stop for Safety

Pressure Sensor for Consistent Results

Quick-change Lower Platen

- 前面板尺寸 16" x20" / 40x50cm 后面板尺寸 16" x24" / 40x60cm
- 重量 约 10kg
- 型号 GY-13 额定功率 3000W
- 额定电压 0-8V 可调
- 额定电流 约 35A
- 额定功率 约 3000W
- 额定电压 120V/220V
- 额定功率 1.8kW / 120V / 2kW / 220V
- 额定电压 0-999V
- 额定温度 225°C

- 尺寸 95x58x82cm
- 重量 95kg / 16" x20" / 99kg / 16" x24"
- 重量 132.5kg / 16" x20" / 136.5kg / 16" x24"
