

Description

This mini heat press is an ideal choice for household use and DIY design. Due to its small size, it is lightweight and easy to carry and operate. It's suitable for pressing small objects like T-shirts, hats, handbags, masks, socks, etc. Especially, the small and compact heat press is perfect for uniquely shaped and extra-small projects with hard-to-reach spaces, such as shoes, and stuffed animals.

It's fast heating up a durable. Adopted high-temperature resistant materials, so it is safe to use.

The compact heat press comes with 3 heat setting levels, which can satisfy the needs of different and unusual heat transfer projects.

- Low temperature: 284°F(140°C)
- Medium temperature: 374°F(190°C)
- High temperature: 491°F(255°C)

3 Modes by One button can make you easily control the heating degree to meet your different transfer needs. The mini heat press machine can be applied in small businesses, such as handicraft shops, boutique shops, gift shops, etc.

Let's enjoy the fun of making handicrafts with this mini heat press! It's also a good choice for making birthday, Christmas and anniversaries gifts for your family or lover.

Specification

Model No.	GP-1
Machine Type	Craft Mini Heat Press Machine
Platen Size	102*161.5mm
Under Plate	106x62mm (4.17"x2.44")
Temperature Modes	284°F(140°C), 374°F(190°C), 491°F(255°C)
Printable Articles	Hard-touch printable articles
Voltage	110V/ 220V
Power	180W/250W
Net Weight	Iron Machine 402g + Base 99g
Gross Weight	655g
Machine Size	106x62x100mm
Packing Size	L16.3cm*W15.5cm*H9.2cm
Power Wire Length	180cm(71inches)
