

Description

Microtec team has been adhering to the more humanized design concept to continuously innovate new heat press machines. The third-generation cap press is a more compact, lightweight and beautiful appearance while ensuring the stability of the structure. This high-pressure clamshell style heat press with auto open feature is easy-to-use, durable, and can handle heavy-duty and frequent usage.

Its curved heating plate can accommodate many cap styles, including trucker, fitted, snapback, strapback, flexfit, 5-panel, visor caps, and more.

- Equipped with GY-06 digital time and temperature controller. You can set your time, change between Fahrenheit and Celsius, and view your production statistics.
- Opens automatically, preventing over-application and scorching.
- Additional under plate available for oversize, low crown, and other cap varieties.
- Hold-down device secures the cap and provides a smooth surface for transferring.

Simple operation

**GY-06 Digital Controller
C&F Read-out and Press Counter**

Fast-heating head

Easy cap mounting clamp

High quality accessories

Backed with Teflon coating

Feature

GY-06 Digital Time & Temp. Control: This controller is very easy to set the time and temperature. More accurate of the time and temp. display.

Teflon Coating: High temperature resistance, with better sublimation effect and low friction to the cap

Cap Mounting Clamp: Very easy to put the cap on the mounting clamp, no need to worry about the shifting and falling

Rubber Handle: Comfortable rubber with Labor-saving and simple operation designs, also keep your hand a safe distance from the heating element.

Specification

Model No.	HPN-CAP-A/HPN-CAP-B
Machine Type	Auto Release
Platen Size	102*161.5mm
Under Plate	Changeable
Base Plate Size	72*138mm, 78*125mm 100*138mm & 102*161.5mm
Controller	GY-06 Digital Time & Temp. Control
Gas Spring Control	Yes
Voltage	120V/ 220V
Power	500-1000W
Time Range	0-999 sec.
Maximum Temp.	225 C
Temperature Accuracy	±5 C
Packing Size	64*36*63cm
Gross Weight	24kg

Package

All the machines are packed in carton with full wrapped styrofoam and provide with manual.

Application

This cap heat press is idea for cap heat transfer.

Machine Warranty

Microtec's main objective is to support all our customers, who can manage their heat transfer activities without interruption. So Microtec offers FREE SPARE PARTS with a quantitative order and the following guarantee:

- * Free lifetime technical support on all heat press machines.
- * Five-year warranty on fusions and welds.
- * Five-year warranty on the heating plate.
- * Six-monthly warranty on the heaters of mugs, plates and caps.
