

## Description

- 1) 100% stainless steel construction
- 2) Equipped with USB port (optional) for easy data transfer
- 3) Equipped with 3.5" floppy disk drive
- 4) Equipped with 15" LCD monitor for easy viewing
- 5) Equipped with 15" LCD monitor for easy viewing
- 6) SIGNCUT/ARTCUT software included for easy design creation
- 7) Flexisign software included for easy design creation
- 8) Equipped with USB port for easy data transfer
- 9) Equipped with 3.5" floppy disk drive

## Feature

- ◆ 100% stainless steel construction
- ◆ Equipped with 15" LCD monitor
- ◆ Equipped with 3.5" floppy disk drive
- ◆ USB 2.0 port & RS-232C port for easy data transfer
- ◆ Equipped with 15" LCD monitor for easy viewing
- ◆ Equipped with 15" LCD monitor for easy viewing
- ◆ Equipped with 3.5" floppy disk drive
- ◆ Equipped with Windows XP/Windows Vista/Windows 7/8 (32bit & 64bit)/MAC.

Model	MT-1350
Width	1350mm
Depth	1260mm
Capacity	1M~4M
Resolution	50~800mm/
Weight	50~500g
CPU	8~CPU
Voltage	90~260V
Interface	USB & RS-232C
Material	Stainless Steel
Material	Stainless Steel
Weight	16.65kg
Weight	30.22kg
Dimensions	158×34×43cm
