2 in 1 Economy Hobby Logo Press

MEHP-100A: with only 15x20cm heater
 MEHP-100B: with only cap heater
 MEHP-200: with cap heater + 15x20cm heater

Specially for small size sublimation products

- ◆ Smart Compact Design
- ◆ Exchangeable Flat or Cap Heater
- ◆ Digital Temperature & Time Control
- ◆ Baked with Teflon Coating
- ◆ Both °C or F° Readout

Combine the label press and cap press, the MEHP-200 is a mini hobby heat press, which perfectly suitable for small volume, small size sublimation transfer printing, especially for ID tag, small ornament, mini t-shirt etc.

The collage features a central image of the red logo press machine with a play button icon and the word "CLICK" overlaid. Surrounding it are various sublimation products:

- T-shirt:** A yellow t-shirt with a bat logo, a white t-shirt with a small logo, and a red mini t-shirt.
- Cap:** A grey baseball cap with a red heart and "I Love" text.
- Phone Case:** Three iPhone 5 cases with different designs: a woman's face, a woman's face with flowers, and colorful balloons.
- Home Decoration:** A heart-shaped ornament with a couple's photo, a circular "Nestlé" logo, and a "Polymer Coaster" with a red logo.
- Personal Accessories:** A "Fridge Magnet" with a woman's photo, a "Mirror" with a woman's face, a "Keychain" with a baby's photo, a "Pill Box" with a child's photo, and an "ID Tag" with a name and number.
