

Description

Microtec RHP is a high pressure, high quality dual heating plate. It is designed for heat-applied transfer labels. The machine is made of stainless steel and has a capacity of 500 lbs. It is perfect for heat-applied transfer labels.

Feature

- Real-time pressure display
- Auto press functionality
- Super bonding technology
- Emergency release button
- Pressure gauge
- Slide-out drawer
- Dual heating plates

MICROTEC PRESS

Specification

Model	GY-06
Temperature	225°C
Accuracy	±0.5%
Voltage	120V / 220V
Power	50/ 60Hz
Weight	52kg
Dimensions	62.5kg
Size	93×55×67cm
CE	CE
Warranty	2 years

Application

Uniform heating on both sides. Reliable performance, flawless results every time.

UNIFORM HEATING ON BOTH SIDES

Reliable Performance, Flawless Results Every Time
