How to Measure the Diameter of a Tumbler?

The diagram illustrates the process of measuring a tumbler's diameter using a Gizmiks measuring tool. It consists of four circular panels, each labeled with a step number in a red banner at the top.

- STEP 1:** A hand holds the green measuring tool, which has a white scale and a small green button. The tool is shown in its open position.
- STEP 2:** The tool is placed around the tumbler. The tumbler is black with yellow and white text, including "GAME OVER".
- STEP 3:** The tool is adjusted to fit the tumbler. The hand is shown pressing the green button to close the tool around the tumbler.
- STEP 4:** The measurement is read on the tool's scale. The scale shows a measurement of approximately 3.5 inches.
