Q:

What is the size of the machine?

A:

The machine is available in three sizes: 38 * 38 cm, 40 * 50 cm, and 40 * 60 cm.

Q:

What are the dimensions of the upper platen cover?

A:

The upper platen cover is made of high-quality, non-stick material and is designed to fit the upper platen perfectly. It is easy to install and remove, and it provides excellent protection for the platen during use.

Q:

What is the material of the lower platen protector?

A:

The lower platen protector is made of a quick-slip material that allows for easy removal and replacement. It is designed to fit the lower platen perfectly and provides excellent protection during use.
