Specification

Model	GY-06
Material	Aluminum
Temperature	225°C
Accuracy	±0.5%
Voltage	120V / 220V
Frequency	50/ 60HZ
Weight	52kg
Dimensions	93x55x67cm
Certification	CE
Warranty	2 years

Application

The machine is suitable for printing on various materials, including t-shirts, hoodies, bags, and more. It provides uniform heating on both sides, ensuring reliable performance and flawless results every time.

UNIFORM HEATING ON BOTH SIDES

Reliable Performance, Flawless Results Every Time
