

Description

Multipurpose swing-away heat press for T-shirts, Mugs, Plates, Caps, which utilizes quick-change attachments to meet your different transfer needs -

Microtec's Best selling Combo Heat Press. With interchangeable attachments, this multifunctional press DCH-900 could meet your different requirement for transferring, such as T-shirt, mouse pad, puzzles, tiles, mugs, plates, caps, shoes etc. Cost effective and space save which has gained high reputation from customers.

Feature

Versatile Transfer Options: ECH-800 is designed for a myriad of applications, including T-shirts, mugs, plates, caps, and more. Its quick-change attachments make it a versatile solution for meeting your diverse transfer requirements.

Interchangeable Attachments: With its interchangeable attachment feature, the ECH-800 adapts seamlessly to your unique transfer needs. Whether it's T-shirts, mouse pads, puzzles, tiles, mugs, plates, caps, or other materials, this multifunctional press has you covered.

Cost-Effective and Space-Saving: The ECH-800 multipurpose heat press is not only cost-effective but also a space-saving solution that has garnered high praise from satisfied customers. Enjoy efficiency without compromising on quality.

Robust Construction: Built on a solid steel welded framework, the ECH-800 ensures durability and reliability in every use. Its sturdy construction contributes to its long-lasting performance.

Digital Temperature and Time Control: Take control of your heat transfer process with the digital temperature and time control feature. This precision ensures accurate and consistent results

with every use.

Automatic Alarm: Stay on top of your operations with the automatic alarm system. This feature enhances user convenience and ensures that each transfer process is monitored effectively.

Temperature Readout Accuracy: Experience precise temperature control with an accuracy of $\pm 5^{\circ}\text{C}$. The temperature readout can be displayed in either Celsius or Fahrenheit, providing flexibility to suit your preferences.

Multifunctional Swing-Away Design: The ECH-800's swing-away design enhances its multifunctionality, allowing easy access and flexibility for various applications, including T-shirts, mugs, plates, caps, and more.

Accommodates Thick Materials: The ECH-800 accommodates materials up to 70mm thick, offering versatility in handling a wide range of substrates.

2-Year Warranty: We stand behind the quality of the ECH-800 with a 2-year warranty on the entire press, providing you with peace of mind and confidence in your investment. Trust in Microtec's best-selling Combo Heat Press for reliable performance and exceptional results.

Specification
