DIGITAL SWING AWAY HEAT PRESS

Economy Combo Heat Press for T-shirt
Plates (2 sizes), Mugs(4 sizes), Caps

Description

ECH-800 Commercial Swing-Away Heat Press - 8-in-1 Multi-Function for T-Shirts, Mugs, Plates, Caps

The ECH-800 8-in-1 Combo Swing-Away Heat Press is a versatile and efficient solution for a wide range of heat transfer applications. Designed to handle T-shirts, mugs, plates, caps, and more, this multifunctional press utilizes quick-change attachments to meet diverse transfer needs.

Key Features

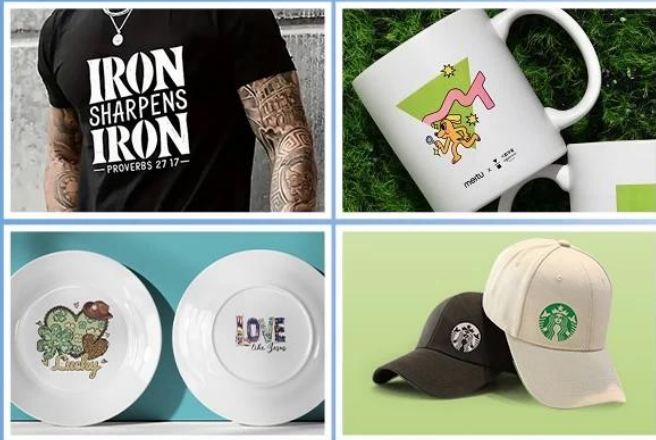

- **Versatile Transfer Options:** The ECH-800 is designed for various applications, including T-shirts, mugs, plates, caps, and more. Its quick-change attachments make it a versatile solution for diverse transfer requirements.
- **Interchangeable Attachments:** Equipped with interchangeable attachments, the ECH-800 adapts seamlessly to unique transfer needs. Whether it's T-shirts, mouse pads, puzzles, tiles, mugs, plates, caps, or other materials, this press has you covered.
- **Cost-Effective and Space-Saving:** This heat press offers efficiency without compromising on quality, providing a cost-effective and space-saving solution that has garnered high praise from customers.
- **Robust Construction:** Built on a solid steel welded framework, the ECH-800 ensures durability and reliability, contributing to long-lasting performance.

- **Digital Temperature and Time Control:** The digital controls allow precise adjustments of temperature and time, ensuring accurate and consistent results with every use.
- **Automatic Alarm:** An automatic alarm system enhances user convenience by effectively monitoring each transfer process, ensuring timely completion.
- **Temperature Readout Accuracy:** Experience precise temperature control with an accuracy of $\pm 5^{\circ}\text{C}$. The temperature readout can be displayed in either Celsius or Fahrenheit, providing flexibility to suit user preferences.
- **Multifunctional Swing-Away Design:** The swing-away design enhances functionality, allowing easy access and flexibility for various applications, including T-shirts, mugs, plates, caps, and more.
- **Accommodates Thick Materials:** The ECH-800 can handle materials up to 70mm thick, offering versatility in processing a wide range of substrates.
- **2-Year Warranty:** Backing the quality of the ECH-800, a 2-year warranty on the entire press provides users with peace of mind and confidence in their investment.

Specifications

- **Model No.:** ECH-800
- **Machine Type:** Swing Away, Multifunctional
- **Platen Size:** 12"x15" (29x38cm)
- **Optional Heater Attachments**
 - Dia.6-7.5cm Mug Heater
 - Dia.7.5-9cm Mug Heater
 - 12oz & 17oz Mug Heaters
 - 5" (φ12.6cm) Plate Heater
 - 6" (φ15.2cm) Plate Heater
 - 9x15.5cm Cap Heater

- **Controller:** GY-04 Digital Time & Temp. Control
- **Printable Articles Thickness:** Up to 70mm
- **Voltage:** 120V/220V
- **Power:** 1.2KW/1.8KW
- **Time Range:** 0-999 Sec.
- **Maximum Temperature:** 225°C
- **Temperature Accuracy:** ±0.5%
- **Packing Size:** 53x53x47cm
- **Net Weight:** 32kg
- **Gross Weight:** 36kg

The ECH-800 Multifunctional Heat Press Machine serves as an all-in-one solution for various applications, facilitating easy transfers onto T-shirts, caps, ceramic items, mugs, coasters, mouse pads, puzzles, fabrics, and more. Different-sized mug presses cater to varied transfer demands, making it a valuable addition to any heat transfer operation.

Machine Warranty
