

Description

Compared with manual mug presses in the market, Microtec electric auto mug press MP-99 made great upgrade, not only on mug press appearance, but also on mug press performance.

Microtec auto mug heat press is workable for dia7.5 -9cm, 8mm thickness Mug heater (For 11oz full transfer); Dia7.5 -9cm, 6mm thickness Mug heater(for 11oz mug).

Auto-wrap function, Aluminum die-casting body, Accurate GY05N digital controller with press counter make this mug press so different. Much more efficient and less labour consumption.

We add a aluminum block in the machine, with it, the mug heat press machine is suitable to transfer 11oz sublimation mug, without it, the mug press is suitable to transfer 11 and 15oz sublimation mug, and it can converted easily and conveniently.

New Upgrade Version

Electric Mug Press Machine

workable for 11 oz & 15 oz mug

11 oz 15 oz

CE

MP-99 Electric Mug Press Main Features

- *Aluminium die-casting, Material durability
- *Semi-automatic, easy operation, free your hand
- *GY05N digital time & temperature controller
- *Simple, safe and reliable operation
- *Low energy consumption, high efficiency

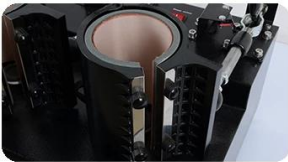

Specification

Model No.	MP-99A/ MP-99B
Machine Type	Electric Powered, Automatic
Controller	GY-05N Digital Time & Temperature Control
Maximum Temp.	230°C
Temperature Accuracy	±0.5%
Time Range	0-999 Seconds
Power	260W
Voltage	220V/ 110V
Frequency	50-60Hz
Net Weight	5kg
Gross Weight	6.5kg
Packing Size	38x27x25cm

Feature

GY-05N Digital Controller: Electric auto mug press uses high end GY-05N digital LED controller for precise control over time and temperature settings.

High Quality of Mug Heater: The mug heater is aluminium die-casting, material durability which makes sublimation mugs with good transfer results.

Aluminum Block: the mug heat press machine is suitable to transfer 11oz sublimation mug with it and 15oz sublimation mug without it.

Full Automatic: the electric auto mug heat press operate easily, free your hand, electric powered, no need air compressor.

Application

Microtec electric powered auto mug press is suitable for transferring 11oz and 15oz photo mugs.
