

Make Your Printing Easier and More Efficient

Professional Sublimation Ink

Elevate your creative projects with the GIZMIX 400ML Sublimation Ink Refill, designed for seamless compatibility with a wide range of Epson EcoTank printers. This premium-quality ink ensures vibrant, long-lasting transfers on various materials, making it an ideal choice for both DIY enthusiasts and professionals.

Feature

- **Extensive Printer Compatibility:** GIZMIX sublimation ink is specifically engineered to work flawlessly with Epson EcoTank models, including ET-2400, ET-2720, ET-2750, ET-2760, ET-2800, ET-2803, ET-2850, ET-4800, as well as Expression Home XP-4100 and XP-4105. This broad compatibility ensures a hassle-free printing experience across multiple devices.
- **Vibrant and Durable Colors:** Experience rich, vivid hues that bring your designs to life. Our ink offers high saturation and excellent penetration, resulting in prints that are both eye-catching and resistant to fading over time.
- **Perfect for DIY Projects:** Whether you're customizing mugs, T-shirts, pillowcases, or other items, GIZMIX sublimation ink delivers professional-quality results. It's ideal for creating personalized gifts or expanding your product offerings.
- **Easy and Safe Refilling:** The auto-fill nozzle design simplifies the refilling process, reducing the risk of spills and ensuring a clean operation. Each package includes 100ml bottles of black, cyan, magenta, and yellow inks, along with gloves and heat tape for added convenience.

- **High-Quality Standards:** Our sublimation ink meets rigorous ISO-9001 and MSDS certifications, reflecting our commitment to providing a safe and reliable product.

Important Note: For optimal results, use this sublimation ink with fabrics containing less than 30% cotton.

Choose the GIZMIX 400ML Sublimation Ink Refill to enhance your printing projects with exceptional performance and stunning results.
