Description

GIZMIX HEAT PRESS FOAM COVER PADS (20"X16" & 8"X4") - PREVENT SCORCH MARKS FOR EMBLEM & PATCH PRESSING

Ensure flawless heat press results with **GIZMIX Heat Press Foam Cover Pads**! This set includes **two durable foam pads (20"x16" and 8"x4")** designed to protect garments when pressing raised emblems, patches, and logos. The **3mm-thick heat-resistant foam** evenly distributes pressure and prevents scorch marks, giving you professional-quality results every time. Whether you're working on small logos or large designs, these pads provide the perfect cushioning for smooth, damage-free transfers.

WHY CHOOSE GIZMIX HEAT PRESS FOAM COVER PADS?

- **Dual-Size Protection** - 20"x16" pad for full coverage + 8"x4" for precise logo pressing
- **Scorch Mark Prevention** - 3mm heat-resistant foam safeguards garments
- **Professional Results** - Even pressure distribution for flawless transfers
- **Versatile Application** - Ideal for patches, emblems, and hard-to-press areas
- **Durable & Reusable** - Withstands repeated heat press cycles

The smarter way to protect your garments during heat pressing!

Feature

PROFESSIONAL-GRADE PERFORMANCE: Engineered for flawless heat transfers on all fabrics. Dual-size set (20"x16" and 8"x4") ensures perfect results for both large designs and small details.

UNIVERSAL APPLICATION: Works perfectly with patches, emblems, HTV, and sublimation transfers. Ideal for t-shirts, hats, bags and more.

SUPERIOR HEAT PROTECTION: High-density 3mm foam withstands 400°F/204°C heat,

preventing scorch marks and fabric damage.

TRUSTED BY PROFESSIONALS: The preferred choice of print shops and customization businesses worldwide for reliable, consistent results.

Machine Warranty

Microtec's Commitment to Customer Support

At Microtec, our primary goal is to ensure that our customers can carry out heat transfer activities seamlessly. To support this, we offer **FREE SPARE PARTS** with qualifying orders, alongside the following comprehensive guarantees:

- **Lifetime Technical Support** for all heat press machines.
- **Two-Year Warranty** on the machine.
- **Five-Year Warranty** on fusions and welds.
- **Five-Year Warranty** on the heating plate.
- **Six-Month Warranty** on heaters for cups, plates, and caps.

We are dedicated to providing long-term reliability and peace of mind for your heat transfer operations.
