Easy to Trim Reusable

GIZMIX High-Temperature Teflon Heat Press Sheet – Multi-Size Non-Stick Craft Mat (12″×16″, 15″×15″, 16″×20″, 16″×24″, 32″×40″) – Up to 600 °F

Key Selling Features

1. **Heat-Resistant Up to 600 °F (315 °C)**
   Premium glass-fiber base with PTFE coating offers powerful insulation, safeguarding surfaces and heat press elements during high-temperature use.

2. **Superior Non-Stick & Water-Resistant Finish**
   Easily repels inks, adhesives, paint, wax, clay, or food residue—just wipe clean with a damp cloth after use.

3. **Extremely Durable & Reusable**
   Double-sided construction ensures longevity, supporting up to **1,000 cycles** of use under general conditions.
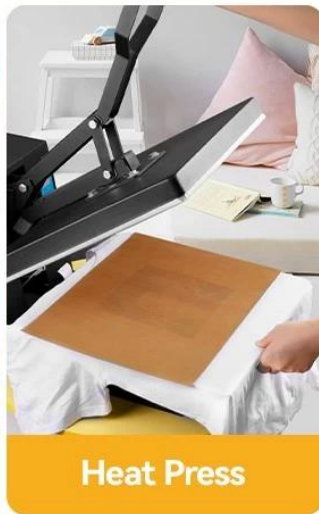

4. **Wide-Ranging Applications**
   Ideal for heat press transfers, ironing, baking, BBQ grilling, roasting, crafting, and painting—perfect as a protective interface for various heat activities.

5. **Multiple Sizes & Customizable Fit**
   Available in 12″×16″ (30×40 cm), 15″×15″, 16″×20″, 16″×24″, and 32″×40″—cut easily to suit your equipment or workspace needs.

WIDE APPLICATION

Iron | Heat Press | Oven | Baking

Why Opt for GIZMIX
