SLIDE RAIL

The GIZMIX NCH-400 Multifunction Heat Press is a versatile and powerful solution for creators and small business owners. Building on the features of the NCH-100, this upgraded heat press includes a 23x33cm heat platen for flat transfers like jackets, aprons, and banners. Plus, with its interchangeable attachments, you can easily press designs onto skinny tumblers (12oz - 30oz), hats, and plates, providing endless creative possibilities.

Ideal for use with heat transfer vinyl (HTV), sublimation, heat transfer paper, and plastisol, the NCH-400 delivers consistent, professional-quality results every time. Whether you're a crafter, business owner, or hobbyist, this all-in-one heat press offers unmatched flexibility, allowing you to expand your product offerings and create high-quality items with ease. The GIZMIX NCH-400 is the perfect choice for those seeking an efficient and reliable heat press for various applications.

Feature

4-in-1 Multifunctional Design: The NCH-400 comes with versatile attachments for tumblers (12oz - 30oz), hats, plates, and a 23x33cm heat platen, providing everything you need for a variety of creative projects.

23x33cm Heat Platen: Perfect for small to medium-sized transfers, ideal for applying designs to items like jackets, aprons, and jerseys with precision.

Tumbler Press Attachment: Tailored for skinny tumblers (12oz - 30oz), allowing you to create personalized drinkware with ease and accuracy.

Hat Press Attachment: Easily transfer custom designs onto hats and caps, providing a professional finish for headwear.

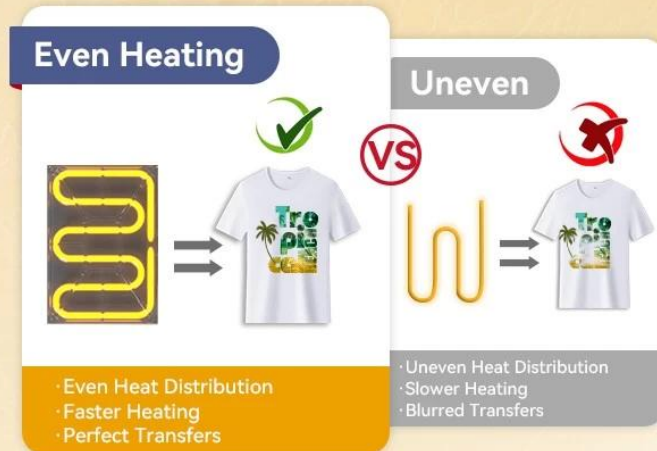

Plate Press Attachment: Personalize plates and other flat items, making it simple to create unique, customized products.

Quick-Changed Attachments: Switch between attachments effortlessly for maximum flexibility, letting you tackle various projects without hassle.

User-Friendly Slide-Out Base: The slide-out base ensures safe and efficient pressing, even with larger or bulkier items, making your work smoother and faster.

Upgrade Your Crafting: Take your crafting projects to the next level with the NCH-400, the all-in-one heat press designed for professionals and hobbyists alike!

UNIFORM HEATING AND EFFICIENT TEMPERATURE CONTROL

Machine Warranty
