Description

The MAX-CAP HPN Auto Open Cap Heat Press is a state-of-the-art solution for efficiently customizing various cap styles. Designed with user convenience and durability in mind, this heat press ensures consistent, high-quality transfers for both small businesses and large-scale operations.

Key Features

- **Automatic Open Function:** Equipped with an auto-open feature, the press lifts automatically at the end of the cycle, preventing over-application and scorching. This functionality allows operators to focus on other tasks, enhancing overall productivity.
- **Versatile Platen Sizes:** The press includes interchangeable platens measuring 3.5" x 5.5" (cap platen) and 5" x 5" (flat platen), accommodating a wide range of cap styles such as trucker, fitted, snapback, strapback, flexfit, 5-panel, and visor caps.
- **GY-06 Digital Controller:** Features the GY-06 digital time and temperature controller, enabling precise settings with easy adjustments between Fahrenheit and Celsius. The controller also provides production statistics, assisting in workflow management.
- **Durable Construction:** Built with a high-temperature-resistant Teflon-coated heating plate, the press ensures a superior sublimation effect and minimizes friction with caps. The cap mounting clamp securely holds caps in place, preventing shifting during transfers.
- **User-Friendly Design:** Designed for comfort and safety, the press includes a rubber handle that keeps hands a safe distance from the heating element, reducing the risk of burns and

ensuring ease of operation.

Specifications

- **Voltage:** 110V/60Hz
- **Power Rating:** 800W/8 Amps
- **Time Range:** 0-999 seconds
- **Temperature Range:** 0-400°F
- **Base Dimensions:** 19" x 10" x 28" (D x W x H in open position)
- **Cap Heat Platen Size:** 3.5" x 5.5"
- **Lower Cap Platen Size:** 3.5" x 5"

The MAX-CAP HPN Auto Open Cap Heat Press combines advanced features with user-centric design, making it an excellent choice for efficient and reliable cap customization.

Machine Warranty

Microtec's Commitment to Customer Support
