

Description

8 in 1 Combo Heat Press Machine with More Competitive Price

ACH-800 Multipurpose Swing-Away Heat Press – a versatile solution for all your heat transfer needs. ACH-800 is designed for a myriad of applications, including T-shirts, mugs, plates, caps, and more. Its quick-change attachments make it a versatile solution for meeting your diverse transfer requirements. This cutting-edge machine outshines its predecessors with a more competitive price point and a lighter weight, ensuring an optimal user experience.

ACH Multifunctional 8-in-1 Heat Press

- ▶ Size: 12"x15"
- ▶ Best Price
- ▶ Better quality and lower price
- ▶ Precise Digital Control

Feature

Efficient 360° Rotation: ACH-800 Combo heat press incorporates a swingable guide rail for easy garment access and even heating, guaranteeing top-notch transfer quality. The non-slip pull handle and robust base enhance stability during operation, providing a seamless printing experience.

Interchangeable Attachments: With its interchangeable attachment feature, the ACH-800 adapts seamlessly to your unique transfer needs. Whether it's T-shirts, mouse pads, puzzles, tiles, mugs, plates, caps, or other materials, this multifunctional press has you covered.

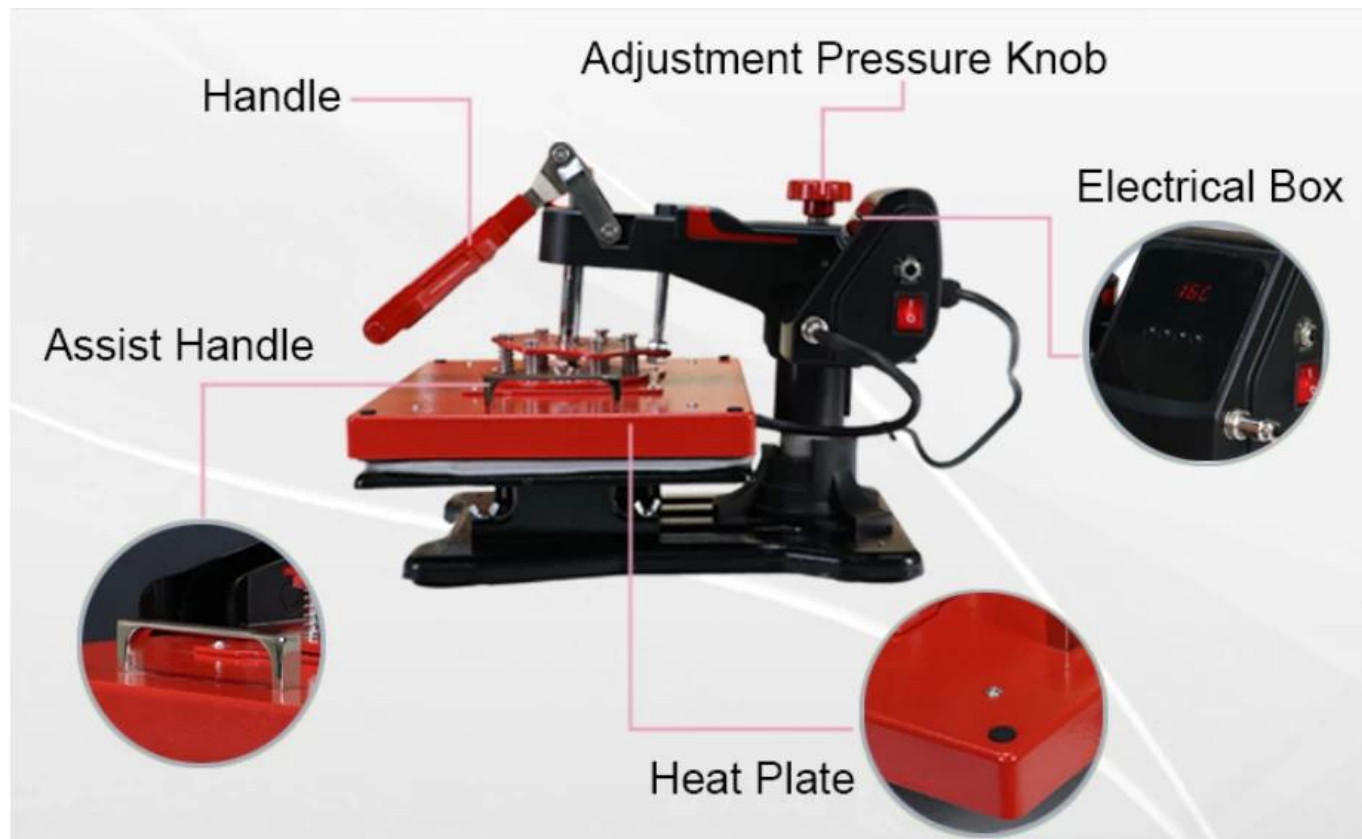

Cost-Effective and Space-Saving: The ACH-800 is not only cost-effective but also a space-saving solution that has garnered high praise from satisfied customers. Enjoy efficiency without compromising on quality.

Digital Temperature and Time Control: Take control of your heat transfer process with the

digital temperature and time control feature. This precision ensures accurate and consistent results with every use.

Accommodates Thick Materials: The ACH-800 accommodates materials up to 50mm thick, offering versatility in handling a wide range of substrates.

2-Year Warranty: We stand behind the quality of the ACH-800 with a 2-year warranty on the entire press, providing you with peace of mind and confidence in your investment. Trust in Microtec's best-selling Combo Heat Press for reliable performance and exceptional results.
