

Microtec SHP-LP2MS Auto-Open Clamshell Heat Press Machine | Professional-Grade Heat Press with Slide-Out Drawer & Gas Shock Technology

Upgrade your heat transfer projects with the **Microtec SHP-LP2MS Auto-Open Clamshell Heat Press Machine**. Designed for precision and efficiency, this professional-grade heat press is ideal for custom apparel, bags, promotional products, and more. Available in three sizes (15"x15", 16"x20", and 16"x24"), the SHP-LP4MS can handle everything from small designs to large-scale customization.

Features

- **Magnetic Auto-Open Technology**
Automatically releases the press when the timer completes, allowing you to multitask without compromising transfer quality.
- **Gas Shock Opening Mechanism**
Smooth, ergonomic operation with high-pressure clamping and minimal strain, making it easier to operate for extended periods.
- **Slide-Out Lower Platen Drawer**
Safely position materials without reaching under the heated platen, perfect for larger or more delicate items.

- **Advanced Digital Controller**

Offers precise temperature control ($\pm 4^{\circ}\text{F}$ accuracy) with a Celsius/Fahrenheit toggle. The easy-to-read LCD display allows quick adjustments, while the 3-second pre-alarm timer helps prevent overheating.

- **Rapid Heating Element**

Achieves fast heat-up times (under 5 minutes) to ensure maximum productivity.

- **Heavy-Duty Construction**

Reinforced steel frame ensures consistent pressure distribution. The adjustable pressure knob allows for flexible applications, and the maximum item thickness is $\frac{1}{2}$ inch (recommended for flat surfaces).

- **Commercial-Grade Safety**

UL-certified components, dual-fuse protection, and a secondary leverage handle for added safety and peace of mind during operation.

The **Microtec SHP-LP2MS** is built to deliver high-quality, reliable results for professional heat transfer applications. Whether you're customizing apparel, bags, or promotional items, this machine is your go-to solution for efficiency and precision.

Perfect for

- Custom apparel (jackets, bags)

- Promotional products
- High-quality heat transfers for various materials

With its advanced technology and user-friendly features, the **Microtec SHP-LP2MS** is the ideal choice for professionals and businesses seeking a top-tier heat press machine.

Machine Warranty
