

TC Auto Open Heat Press with Detachable Electric Box

The TC Auto Open Heat Press, available in models TC-15 (15"x15") and TC-20 (16"x20"), is engineered for efficiency and user convenience. A standout feature is its detachable electric box, simplifying maintenance and minimizing downtime.

Key Features

- **Detachable Electric Box:** Easily remove the control box for diagnostics and repairs, reducing manual intervention and ensuring faster problem resolution.
- **Auto-Open Functionality:** Utilizes an electromagnet release mechanism with a gas spring, ensuring the press opens automatically after each cycle, enhancing productivity.
- **Pressure Adjust Knob:** Allows for easy pressure adjustments when working with items of varying thicknesses, ensuring consistent transfer quality.
- **Double Gas Springs:** Equipped with double gas springs to ensure smooth and consistent operation.
- **Anti-Scald Protective Cover:** Features a metal cover above the heat platen to protect users from potential burns, enhancing safety during operation.

Technical Specifications

- **Machine Type:** Auto Release, Detachable Electric Box
 - **Platen Size:** 15"x15" (38x38 cm) or 16"x20" (40x50 cm)
 - **Under Plate:** Exchangeable
 - **Controller:** GY-06 Digital Time & Temperature Control
 - **Opening Angle:** 50 degrees
 - **Gas Spring Control:** Yes
 - **Voltage:** 110V/220V
 - **Power:** 1600W (TC-15) / 1800W (TC-20)
-

Applications

Ideal for a variety of substrates, including T-shirts, MDF boards, metallic sheets, slippers, and other flat products. Perfect for businesses involved in sublimation printing and garment customization.

Enhanced After-Sales Support

The detachable control box design simplifies troubleshooting and minimizes downtime. Clients can send the control box for assessment, enabling swift and targeted repairs, thus optimizing machine performance.

Upgrade your heat press experience with the TC Auto Open Heat Press, combining cutting-edge technology with customer-centric design for reliable, efficient, and innovative heat transfer solutions.

Machine Warranty

Microtec's Commitment to Customer Support

At Microtec, our primary goal is to ensure that our customers can carry out heat transfer activities seamlessly. To support this, we offer **FREE SPARE PARTS** with qualifying orders, alongside the following comprehensive guarantees:

- **Lifetime Technical Support** for all heat press machines.
- **Two-Year Warranty** on the machine.
- **Five-Year Warranty** on fusions and welds.
- **Five-Year Warranty** on the heating plate.
- **Six-Month Warranty** on heaters for cups, plates, and caps.

We are dedicated to providing long-term reliability and peace of mind for your heat transfer operations.
