

Description

UV DTF A & B Transfer Films - Gold & Silver Options

Our UV DTF A & B Transfer Films are now available in Gold and Silver options, designed to add a unique metallic sheen to your prints.

These films are compatible with UV printers and can be used on a variety of hard surfaces, allowing you to easily create high-quality, personalized designs.

Whether you're printing on glass, leather, acrylic, or metal, our UV DTF films guarantee vibrant, long-lasting results that adhere effortlessly to curved or irregular surfaces.

Key Features

- **Enhanced Aesthetics:** Gold and Silver options provide your designs with a luxurious metallic shine, enhancing the overall visual appeal.
- **High Durability:** Waterproof, scratch-resistant, and heat-resistant for long-lasting prints that stay vibrant even under tough conditions.
- **Easy Application:** Designed for easy peeling and sticking, suitable for various user needs and applications.
- **Versatile:** Perfect for hard materials such as glass, leather, phone cases, metal, marble, acrylic, and more, with excellent adhesion to curved and irregular surfaces.

MULTIPURPOSE

Product Advantages

- **Time & Cost Efficient:** Skip the batch printing process and customize single pieces at lower costs.
- **Eco-Friendly:** No glue or waste discharge needed, reducing material waste and making it an environmentally-friendly option.
- **Strong Adhesion:** No need for additional adhesives, ensuring a long-lasting bond between the film and the surface.
- **Durable Prints:** Scratch, water, and heat-resistant designs that retain their vibrant colors over time.

Applications

- **Materials:** Glass, Leather, Metal, Marble, Acrylic, and more.
- **Perfect For:** Personalized items such as phone cases, promotional products, signage, decorative objects, and more.
- **Special Surfaces:** Ideal for use on curved or irregular surfaces, overcoming the limitations of

traditional UV printing.

Machine Warranty

Microtec's Commitment to Customer Support

At Microtec, our primary goal is to ensure that our customers can carry out heat transfer activities seamlessly. To support this, we offer **FREE SPARE PARTS** with qualifying orders, alongside the following comprehensive guarantees:

- **Lifetime Technical Support** for all heat press machines.
- **Two-Year Warranty** on the machine.
- **Five-Year Warranty** on fusions and welds.
- **Five-Year Warranty** on the heating plate.
- **Six-Month Warranty** on heaters for cups, plates, and caps.

We are dedicated to providing long-term reliability and peace of mind for your heat transfer operations.
